After the final concert number the famous Scotland Road orchestra will furnish the music for a program of the old time favorites and the old familiar strains of money musk, Virginia reel. During the evening the bowling alleys, pool and billard tables will be turned over to the ladies. These social gatherings have proved a great success friends of the lodge members.

The recently elected officers of St. Mary's Star of the Sea Temperance society of New London were installed at its meeting n Temperance hall Sunday evening. County Director William McGuinness of Norwich was the installing officer.

PETITION CALLS FOR SPECIAL TOWN MEETING

Object is to Take Up Health Board Bill for Consideration.

A petition calling for a town meeting which will be held for action to be taken relative to the resolution presented before the state legislature for a health board is being circulated. The wording of the petition follows:

To the Board of Selectmen of the Town of Norwich:

We the undersigned inhabitants of

Town of Norwich:

We, the undersigned, inhabitants of the town of Norwich and qualified to vote in meeting thereof hereby make application for the cailing by you of a special meeting of said town to determine what action, or whether any action shall be taken with reference to legislation now pending in the general assembly of Connecticut whereby it is proposed to establish a board of health for the town and city of Norwich, to abolish the various health offices in said town and city and to consider also the function of those officers under management of one official to be appointed by said board, also if deemed advisable to make such protest as may be required against the creation of such new system.

Following is the bill over which the controversy has arisen:

Section 1.—On June 1st, 1917, the

The following were appointed a permanent membership committee:

John M. Lee, chairman, James L. Case, Thos. H. Beckley, Chas. I. Smith, Arthur L. Peale, L. M. Crandall, Chas. A. Hagberg, Louis Fountaine, Harry Stebbins, S. J. Kehoe, H. Sears, C. W. Pearson, Archa W. Coit, Myron B. Prentice, Clinton E. Lane, Andrew B. Davies, Arthur C. Crowell, Thomas Asbury, John F. Craney, Abner Schwartz. Section 1.—On June 1st, 1917, the city and town of Norwich shall be consolidated into one district for the cooperative maintenance of a joint health office: two thirds of the cost of The question of forming bureaus was taken up and it was decided to appoint committees of five for the in-It was also voted to take over the

bealth office: two thirds of the cost of such maintenance shall be paid by the city of Norwich, and one third by the town of Norwich.

Section 2.—On May 31st, 1917, the terms of office of the city Health Officer of the City of Norwich; the Town of Morer of the Town of Norwich, and the School Inspector of the Town of Norwich, shall cease.

Section 3.—There shall be in the Town and City of Norwich, shall cease.

Section 3.—There shall be in the Town and City of Norwich, from and after the 1st. day of June, 1917, a board of health for said Town and City of Norwich, which shall be composed of the Mayor of the said City of Norwich, the First Selectman of Said Town of Norwich, and the Judge of the City Court of said City of Norwich, and the Judge of the City Court of said City of Norwich, and the Judge of the City Court of said City of Norwich, and the Judge of the City Court of said City of Norwich, and the Judge of the City Court of said City of Norwich, and the Judge of the City Court of said City of Norwich, and said members shall hold their offices during their various terms of office, and shall serve as members of said board of health without compensation.

Section 2.—On May 31st. 1917, the terms of office, and the Judge of the City of Norwich, and the Judge of the City of Norwich, and the Judge of the City Court of said City of Norwich, and the Judge of the City Court of said City of Norwich, and the Judge of the City Court of said City of Norwich, and the Judge of the City Court of said City of Norwich, and the Judge of the City Court of said City of Norwich, and the Judge of the City Court of said City of Norwich, and the Judge of the City Court of said City of Norwich, and the Judge of the City Court of said City of Norwich, and the Judge of the City Court of said City of Norwich, and the Judge of the City Court of said City of Norwich, and the Judge of the City Court of said City of Norwich, and the Judge of the City of Norwich, and the Judge of the City of Norwich, and the Judge of the City of Norwich, an shares of the Norwich Building and Loan Association which were carried by the old chamber of commerce. The secretary gave a brief report on the meeting of the state chamber of commerce in Hartford on January The secretary read a communication from County Farm Bureau Manager F. C. Warner in which the chamber was invited to elect one of their directors as a director at large on the board of directors of the New London County Improvement League. The directors selected William H. Oat as the director at large

pensation. Section 4.—Said board of health shall exercise authority necessary for the promotion, protection, and pre-servation of the health of the inhabifrom the county farm bureau manager was read by the secretary. It urged the chamber to give its support to a movement which has been started to bring the next state corn fair to Norwich in connection with the county corn fair. It was voted to support the movement servation of the health of the inhabitants of said city and town. Said board of health shall have power to make, alter, repeal, and enforce rules, and regulations for the following purposes: To provide for the health of the city and town; to require and regulate inspection of schools and school children, as deemed necessary by such board for the protection of the health of such children; to preserve to a higher standard is also true. A resolution was passed approving Mayor Allyn L. Brown's action on the proposed reduction of insurance rates in this city. health of such children; to preserve the purity of all sources of water supply for said city and town and prevent pollution thereof, and define the purity of all sources of water supply for said city and town and prevent pollution thereof, and define as muisances anything detrimental to the public health, and to prevent and summarily abate all nuisances; to regulate the location, construction and use of plumbing, wells, sinks, cess, pools, pig pens, drains, sewers, and privies, and such other things as menace health in said city and town of Norwich; to regulate the carriage of any offensive substance through the roads and highways within the limits of the town of Norwich; to regulate, by inspection, licensing, or otherwise. At the close of the directors' meeting the executive committee held a meeting. A number of routine bills were ordered paid and it was voted that the secretary, H. R. Branche, join the New England Association of Commercial Executives and he was authorized to attend the next meeting of the association to be held at Manchester. N. H., on February 16th the conduct within said city and town of any business affecting the public health and safety, or unduly annoying to the public, including plumbing, bakeries, barber shops, the sale of milk, or other food, and any other business affecting public health, and to prohibit the sale or compel the destruction of milk or feed when deemed by said board detrimental to public health; to prevent the deposit of refuse or filth in any stream, highway, or elsewhere. Any person violating any elsewhere. Any person violating any or misbranded butter consisted of the such rule, or regulation shall be fined sale of renovated butter or oleomar

point a descreet person, learned in medical and sanitary science, who shall be health officer for said city and town, and who shall devote all his time to the duties of said offices, and who shall be the secretary and execu-tive officer of said board and subject clothes press and did considerable damage to the room. The flames gave the
firemen a fight of over an hour's duration.

# APPLES, ORANGES, FIGS AND PRUNES

Making "Fruit-a-tives "FRUIT-A-TIVES" is the only

medicine in the world that is made from the juices of fresh ripe fruits.

Thus, it is manifestly unfair to say, "I helping others, why not you? won't take Fruit-a-tives because I have tried other remedies and they did me no good". On the other hand, the fact that "Fruit-a-tives" is entirely different from any other preparation in the world, is just why you should give it a fair trial, in any trouble of the Stomash, Liver, Bowels, Kidneys or Skin. "Fruitstives", is composed of the active principle of fruit and the greatest nerve tonic ever discovered. 50c. a box, 6 for \$2.50, trial size, 25c. At all dealers or sent by Fruita-tives Limited, Ogdensburg, N.Y.
